

No.	Required Info.	Response
1.	Project name	Strengthening Disaster Risk Reduction Management in Amhara Regional State – project ref: T05-EUTF-HOA-ET-72-04.
2.	Short description of the project (200 words or less)	The EU DDRM program aims enhance the capacities and system of the NDRMC and the five regional states proactively and rapidly help communities cope and protected in the event of climatic stress and disaster. The EU support is gearing to capacitate the DRM institutions who not only have the mandate but also, at term, should have the role in the DRR management in the country. The strategic focus of this project is that greater investments in early response and disaster risk management, such as supporting pre-agreed disaster planning, EWS, preparedness and early response activities will enable local government and communities to better withstand and cope when hit by shocks
3.	Project objective (200 words or less)	The Overall objective of this project is to strengthen households, communities and local authorities to manage and adapt to disasters and other risks, thus reducing their vulnerability to crises The Specific Objectives is to enhance the capacities and systems of the Amhara Region to proactively, and rapidly help communities cope and protected in the event of climatic stress and disaster.
4.	Implementing partners	Amhara NRS Disaster Prevention and Food Security Program Coordination Office, (DPFSPCO)
5.	Project beneficiaries	Primary beneficiaries are rural communities in the target woredas/Districts and IDPs, and those poorest of the poor, and women groups are the main targets of the project actions.
6.	Dates of implementation	48 months (30/12/2019 to 30/12/2023)
7.	Geographical areas of implementation	Amhara Regional State – Bahir Dar Coordination Office and all Zones of Disaster Prone Woredas of the Region List of woredas for WDRP and DRR planning: North Shewa (Minjar Shenkora, Ankober, Antsokiagemza, Merehabietie, Mida Oromo, Ensaro, Siyadebir wayu, Mojana Wodera, Basona Worana, Moretna Jiru), Central Gondar (Alepha, Taqussa, Lay Armacho, Tach Armacho, Tegedie, Chilga 1, Chilga 2), East Gojam (Sinan, Aneded, Debay Tilatigin, Dejen, Basoliben, Bibugn, Debre

		<p>Elyas, Machakel, Gozamin, Awabel), Awi Zone (Dangla, Guagusa Shikudad, Zigem, Guangua, Jawi), West Gojam (Dembecha, Jabitehnan, Debub Achefer, Semen Achefer, Yilmana Densa, Gonj kolela, Semen Mecha, Bure zuria)</p> <p>Only supported for DRR implementation: South Gondar (Farta, Dera), North Shewa (Kewot, Efratagidim, Tarmaber)</p> <p>List of woredas supported under DRR implementation: North Shewa zone (Angolela Tera), Central Gondar (Tach Gaynt), Wag Himra (Sekota), South Wollo (Legambo), Central Gondar (East Belessa), East Gojam (Enebssie Sarmidir), Oromo Special Zone(Artuma Fursi), Awi Zone (Fagita Lekoma), West Gojam (Dega Damot), North Gondar (Debark)</p> <p>List of woredas supported under crisis response: North Shewa (Berehet), South Wollo (Wara Babo), North Wollo (Habru, Raya Kobo, Gidan, Angot, Gazo), Wag Himra (Sekota, Dehana), Oromo Special zone (Bati)</p>
8.	Expected results	<p>Result 1: The capacities of regional and local (woreda) administrations strengthened to improve disaster risk management.</p> <p>Result 2: Effective DRR regional Contingency Funds (DRR-CF) are in place to reinforce preparedness and early response</p>
9.	Actual results	<p>R1.1 Woreda Contingency Plans and Disaster Profiles and Management Action Plans (WDMAP) in all the target woredas completed.</p> <p>R1.2 Early warning system harmonized (between regions and federal), tested and functional</p> <p>R1.3 Intervention packages to address the specific needs when shocks occur while taking into account the gender aspects and the needs and interests of peoples living with disabilities as well as for conflict resolution mechanisms and package intervention for the integration of the (weather induced) IDPs in the host communities.</p> <p>R1.4 Staffs at Regional, zonal, woreda and community trained on DRR policies and practices</p> <p>R1.5 The project implementation supported</p> <p>R2.1 Communities and resident IDPs living in areas at risk of climate disaster are better prepared</p>

		to withstand future shocks. R2.2 Communities in needs when crisis occurs receive an early support as per the Contingency Plans before humanitarian aid mobilized
10.	Project budget	4,825,000 (100% EU)
